[62 FR 51230, Sept. 30, 1997, as amended at 69 FR 17769, Apr. 5, 2004]

15.606-2 Evaluation.

- (a) Comprehensive evaluations shall be coordinated by the agency contact point, who shall attach or imprint on each unsolicited proposal, circulated for evaluation, the legend required by 15.609(d). When performing a comprehensive evaluation of an unsolicited proposal, evaluators shall consider the following factors, in addition to any others appropriate for the particular proposal:
- (1) Unique, innovative and meritorious methods, approaches, or concepts demonstrated by the proposal:
- (2) Overall scientific, technical, or socioeconomic merits of the proposal;
- (3) Potential contribution of the effort to the agency's specific mission;
- (4) The offeror's capabilities, related experience, facilities, techniques, or unique combinations of these that are integral factors for achieving the proposal objectives;
- (5) The qualifications, capabilities, and experience of the proposed principal investigator, team leader, or key personnel critical to achieving the proposal objectives; and
- (6) The realism of the proposed cost.
- (b) The evaluators shall notify the agency point of contact of their recommendations when the evaluation is completed.

15.607 Criteria for acceptance and negotiation of an unsolicited proposal.

- (a) A favorable comprehensive evaluation of an unsolicited proposal does not, in itself, justify awarding a contract without providing for full and open competition. The agency point of contact shall return an unsolicited proposal to the offeror, citing reasons, when its substance—
- (1) Is available to the Government without restriction from another source;
- (2) Closely resembles a pending competitive acquisition requirement;
- (3) Does not relate to the activity's mission; or
- (4) Does not demonstrate an innovative and unique method, approach, or

concept, or is otherwise not deemed a meritorious proposal.

- (b) The contracting officer may commence negotiations on a sole source basis only when—
- (1) An unsolicited proposal has received a favorable comprehensive evaluation;
- (2) A justification and approval has been obtained (see 6.302–1(a)(2)(i) for research proposals or other appropriate provisions of subpart 6.3, and 6.303–2(b)):
- (3) The agency technical office sponsoring the contract furnishes the necessary funds; and
- (4) The contracting officer has complied with the synopsis requirements of subpart 5.2.

15.608 Prohibitions.

- (a) Government personnel shall not use any data, concept, idea, or other part of an unsolicited proposal as the basis, or part of the basis, for a solicitation or in negotiations with any other firm unless the offeror is notified of and agrees to the intended use. However, this prohibition does not preclude using any data, concept, or idea in the proposal that also is available from another source without restriction.
- (b) Government personnel shall not disclose restrictively marked information (see 3.104 and 15.609) included in an unsolicited proposal. The disclosure of such information concerning trade secrets, processes, operations, style of work, apparatus, and other matters, except as authorized by law, may result in criminal penalties under 18 U.S.C. 1905.

15.609 Limited use of data.

(a) An unsolicited proposal may include data that the offeror does not want disclosed to the public for any purpose or used by the Government except for evaluation purposes. If the offeror wishes to restrict the data, the title page must be marked with the following legend:

Use and Disclosure of Data

This proposal includes data that shall not be disclosed outside the Government and shall not be duplicated, used, or disclosed—in whole or in part—for any purpose other than to evaluate this proposal. However, if a contract is awarded to this offeror as a result
